Welcome

Dear Golfer,

We are pleased to have you join us today for New Horizons Foundation Invitational Golf Tournament as we celebrate the 27th year. Thanks to your support of this event, New Horizons is able to provide increased services to individuals with developmental disabilities.

New Horizons was founded in 1974 and began providing services to people with disabilities in 1981 when the first residences in Dutchess County were opened. We now offer services to over 400 children and adults with developmental disabilities where they need them most: in their homes, at their work sites or in our community-based residential programs. Today New Horizons operates 34 homes in Dutchess & Ulster Counties.

In 1991, the New Horizons Foundation was created to further the long-standing commitment of countless volunteers, supporters and friends who have given of their time, talent and financial support for more than 30 years. The New Horizons Foundation continues to support endless individuals by deferring costs of special needs camps, trips, reading tutors, music education and other much needed support. We strive to remain involved within our communities by making all sorts of activities possible.

People with disabilities have hopes and dreams for their futures, they have friendships, skills and personal interests just as everyone else does. New Horizons will continue to provide brighter futures for those we serve, thanks in part to your participation here today.

Thank you,

Steven Berner, President of NHF Board of Directors
Emanuel F. Saris, Esq., President of NHR Board of Directors
Regis Obijiski, Executive Director, NHR
Beth Cookinham, Director of New Horizons Foundation

Tournament Scoring

Arkansas Scramble Format

(Foursome uses best drive, then each plays own ball to hole)

Prizes will be awarded to 1st, 2nd & 3rd place teams.

Teams must use at least one drive per foursome during the round.

Please return score cards to the golf shop.
